

# THE GAYLE GAZETTE

September 2024

*“...and (Jesus) sent them out to preach the kingdom of God and to heal the sick,”  
(Luke 9:2, NIV).*

**GAYLE TRAVELS FOR AUGUST AND SEPT:** We've been able to represent missions, medical missions, ABWE, and Togo in Boone, NC; Orlando, FL; and Houston, TX the last two months. We've also made smaller, local trips sharing Christ and missions as able. Top left—Michael in the Samaritan's Purse Medical Warehouse in Wilkesboro, NC (about 45 min from Boone). Middle—the 2024 Samaritan's Purse Post Residency Program Doctors who are being sent out to various mission fields in 2024. We were privileged to get to be part of their orientation in Boone in Aug. Top right—our very first anesthesiologist for Togo—Dr. William Buchanan (Will). PTL!! He is the only PRP doctor going to Togo so we got some special time with him during the orientation. Please pray for ALL of the new missionary doctors to have a blessed ministry in their places of service, to grow in Him, to not grow weary, to set good boundaries, but to always Shine Christ. And pray that they will be led to go into full-time missionary service after their two years of service. Three of the docs above are medical couples. Pray for the couples to be united and to stay strong in their marriages. There were two single doctors—including our own Dr. Will. Pray for the singles to not feel too lonely and to adapt to their new roles in a foreign country. Pray for the non-medical spouses to find His Will and His Peace to help to support their medical spouses. We truly appreciate World Medical Mission and Samaritan's Purse for help to support mission hospitals around the world. Without their temporary and full-time doctor placements, many of the mission hospitals would have to close. And we have found that medical missions draws many to hear about the gospel. It is a very “needy” ministry, but it meets a lot of needs around the world and helps us to have platforms to share Him! God is Good, ALL THE TIME!!

*“Declare His glory among the nations, His marvelous deeds among all peoples,”  
(Psalm 96:3, NIV).*

Left—Prescription for Renewal Medical Mission's Conf, put on by World Medical Missions in Orland FL. Next to Michael is Dr. Seth & Becca Mallay and in the middle is Dr. Liza Kessling. All on our Togo team. Next to Cheryl is a medical friend of Liza's who was at the conf, too. We weren't allowed to take pictures at the Medical Missions Conf in Houston, due to security of the missionaries. Far Right—Pastor Garret Kell. We knew him as a “hooligan” and “reprobate” at our old church in Berkeley Springs (just like us ALL). Now he is a very godly man/pastor. If God can change us and Garret, He can change anyone! Pastor Kell led a conference on sexual purity at our home church of IBC. We were blessed to see him again as a “new man!” God is Good, ALL THE TIME!!
