Pregnancy Center of Frederick

Mission Statement

To educate, equip, and empower women and men to make abundant life choices.

Purpose Statement

We exist to share the love and truth of Christ to women and men making pregnancy decisions.

Life is Hope!

Every year we pick a theme that has significant meaning for us at the center. This year, we chose **"Life is Hope"** because **"Hope Changes Everything"**, accompanied by this scripture: **"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."** (Jeremiah 29:11). We chose this theme because life can seem hopeless, yet the very fact that we have breath in our bodies means we have the opportunity for hope. We know that hope changes everything! The vast majority of our clients don't know how much God loves them, and that He desires to give them hope and a future!

As the climate in our state continues to slide with abortion becoming a permanent part of our state's constitution, our mission becomes even more important to women and men facing pregnancy decisions. They need to know the importance of being educated about their options. They need to be equipped with truthful information about fetal development, and the physical, emotional, and spiritual risks of abortion. And then empowered to make a choice of abundant life for themselves, and a choice of life for their baby in the womb.

My prayer is that each client will be able to fully comprehend that God loves them and has a plan for them, and the child in their womb – a plan of hope and a future! I also pray that this promise and scripture will give you hope this year.

Please continue to pray for protection over the center as we continue to represent the Lord to all those that we encounter.

Blessings, Linda King

Celebration of Life Banquet

On **SATURDAY, March 29, 2025**, we will hold our annual Celebration of Life Fundraising Banquet at the Walkersville Grand Social Hall, located at 79 W Frederick St, Walkersville, MD 21793. We received so many positive remarks about this venue and how delicious the food was (thanks to Renaissance Catering), we knew that we had to go back to both! The meal is all you can eat, and will be served family style at each table. **This is our largest fundraiser of the year, and is an excellent time for fellowship!**

The doors will open at **5:00 pm** and will begin with appetizers and fellowship. The program will begin at **6:00 pm**. Our special speaker this year is Toni McFadden. Her story is remarkable... a scared teenage girl faced an unplanned pregnancy. She thought the only way out of her darkness was through the doors of an abortion facility. Author of the book, Redeemed: My Journey after Abortion, Toni is a pro-life advocate and international speaker, who shares her abortion story of regret with transparency while leaving her listeners with **hope**. You won't want to miss this special evening!

The cost to sponsor a table is \$400.00 and includes seating for eight people, including you. **The RSVP date to sponsor a table is 3/7/25.** Individual seats are \$52.00 per person. **The RSVP date for individual seats is 3/12/25.** We are anticipating a large crowd, so make plans now to join us! Please contact me by phone at (301) 662-5300 x232 or email me at linda@carenetfrederick.org for questions or to make your commitment now.

If you are unable to attend, and would like to make a donation to the banquet, you can do so at this link <https://www.supportcarenet.org/give/> (select Celebration of Life Banquet in the drop down for purpose of gift).

Thank you for supporting this life affirming ministry! Your financial giving makes it possible to help the women, men, and families in our community.

"They showed me everything clearly and explained everything to my family, took time to explain which I really appreciate."
